Itineraries

1. Day 1: Sarangkot Rock & Roll Enduro Downhill Ride — Trail Map & Overview

Located above Pokhara, the Sarangkot Rock & Roll Enduro Ride offers a full-day gravity experience with cable car uplift, Jeep shuttles, and long mixed-terrain descents. This trip combines paved roads, dirt tracks, forest singletracks, terrace hills, and village trails, making it one of the most diverse downhill routes in the valley.

The day begins with the Annapurna Cable Car ride to Sarangkot, where riders enjoy sunrise views over the Annapurna Massif and Phewa Lake. After breakfast, the downhill adventure begins.

Trail Summary:

Stage	Route Section	Distance	Descent	Level	Shuttle	Trail Style
1.	Sarangkot Viewpoint ? Lakeside	~8 km	350–400 m	intermediate	Cable Car	Paved road, dirt track, ridge singletrack, terrace paths
2.	Methlang Village ? Padhera/Dharapani ? Lakeside	~7 km	300 m	challenging	Jeep	Forest singletrack, roots, rock sections, fast corners
3.	Baskot ? Pame or Toripani ? Sedi (Chari Trail)	~7–9 km	250–300 m	intermediate	Jeep	Village trails, technical turns, loose gravel, flow lines

2. Day 2: World Peace Stupa Enduro Downhill Ride — Trail Map & Overview

Located in and around Pokhara, this shuttle-assisted route combines long downhill flow, forest singletracks, village paths, and cultural landmarks. It is designed for riders who want maximum gravity riding with

minimal climbing.

3.	Kristy Village ? Foksin Forest ? Damsadi ? Furse Khola ? Lakeside	~8.5 km	300–350 m	intermediate	Jeep	Fast forest lines, creek crossings, tech turns

3. Day 3: Arba Village Pokhara Enduro Trails

Arba Village, outskirts of Pokhara, is one of the best spots for enduro and downhill riders. The area has six main trails (SS1–SS6) used in the latest 2025 Enduro Pokhara Race. Trails range from 0.8 km to 1.9 km per stage, with descent from 100 m to 250 m, offering a mix of flowy singletracks, technical switchbacks, rock gardens, and natural drops.

Riders can link multiple stages for a full-day loop, supported by shuttle pickup to maximize downhill riding. With Himalayan views, forest paths, and village scenery, Arba is perfect for intermediate to expert riders who want a thrilling, technical, and scenic day ride near Pokhara.

Trail Summary:

Stage	Trail Name	Distance	Descent	Level	Shuttle	Trail Style
SS1	Khel Maidan	1.1 km	206 m	Intermediate	Jeep	Flowy forest singletrack with gentle tech features
SS2	Predator's Path	0.8 km	114 m	Intermediate	Jeep	Tight switchbacks and flowing forest lines
