Itineraries

1. Day 1: Arrival in Kathmandu the land of Mount Everest and Buddhism

You are heartily welcome to Nepal. Our representative will be there at Kathmandu international airport to receive you and take you to your hotel in Kathmandu. Based on your arrival time we will take you for a sightseeing in Kathmandu to visit busy streets of Thamel, Monasteries, Temples and World Heritage sites, we may have a chance to see the living Goddess Kumari of Kathmandu.

2. Day 2: Flight from Kathmandu to Pokhara

We will have a delicious Nepali breakfast, drive to the domestic airport and we will fly to Pokhara with amazing views of the Himalayan range. It will take 25 minutes and we will land at the city of seven Lakes and the lap of Fishtail mountain. We will check-in in at a 3-star hotel in Pokhara. Based on our available time. We will visit our shop, check the bikes and get permits ready for the dream Heli biking holiday.

3. Day 3: Cable Car and Jeep shuttle ride in Pokhara valley

Pokhara recently has a cable car shuttle access and also a Jeep shuttle downhill biking. We will have two to three shuttles bases which are very helpful to get to know your guide, bike and your skills in the downhill trails of Pokhara.

4. Day 4: Heli drop at Mustang

Today is the most exciting day of your holiday as you soar through high altitudes enjoying the views of breathtaking Himalayas and an unbeatable sense of control and freedom, you won't forget this adventure in your lifetime. Heli will drop you on the Throng Phedi. We will be riding down to Kagbeni and our jeep will drive back to Muktinath.

5. Day 5: Biking from Muktinath to Kagbeni

Today will be another exciting day of our riding as we ride through one of the best single trails Nepal has to offer with breathtaking views and the trails of Lupra valley.

6. Day 6: Biking from Kagbeni to Marpha via windy pass and Dumba Lake.

Jeep Drive from Kagbeni to Windy pass and ride down to Mustang valley and ride to Marpha via Dumba Lake and Thini village.

7. Day 7: Biking from Marpha to Tatopani

Biking from Marpha to Tatopani village is one of the best experiences which offer incredible views of Nilgiri Himal, Dhaulagiri and other peaks with amazing trails of pine forest and suspension bridges.

8. Day 8: Biking from Tatopani to Beni then drive to Sarankot and ride to Pokhara.

We will be riding along the Kali Gandaki River through several villages, terraces and pilgrimage for Hindu devotees. Our biking will be mostly downhill till the Beni then we will drive back to Sarankot and ride down to Pokhara.

9. Day 9: Heli drop at Poon Hill and ride down to Birethanti and drive back to Pokhara.

This is the last day but not the least rather a much more exciting day as Heli will drop us at the top of the PoonHill where you'll enjoy the different views from Poon hill and ride down to Birethanti. Our ride will cover some of the technical single-tracks and dirt roads through the rhododendron forest. After descending down toBirethanti, we will load our bikes and drive back to Pokhara.

10. Day 10: Flight from Pokhara to Kathmandu and drive back home full of life experiences.

Today marks an end to our adventurous heli shuttle biking trip in the Himalayan land of Nepal. After bidding a reluctant farewell, you will be driving to the Pokhara International airport and fly back to Kathmandu with all those life long memories.
